## DETAILED ACTION

### ***Claim Rejections - 35 USC § 112***

1. Claims 1-37 , 39, and 41 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

a. Claim 1 has two periods. The claim(s) are narrative in form and replete with indefinite and functional or operational language. The structure which goes to make up the device must be clearly and positively specified. The structure must be organized and correlated in such a manner as to present a complete operative device. **The claim(s) must be in one sentence form only.** Note the format of the claims in the patent(s) cited.

b. Claims 2,-4, 6-12, and 32 lack antecedent basis to the cart limitation.

### ***Allowable Subject Matter***

2. **Claims 38 and 40 are allowed** because of the following reasons: Note to applicant a rejection having a cart carry the jack could not be applied since the jack was attached to the cart. If the applicant had recited a jack and a cart unattached such a rejection would be in order.

3. No art could be applied to claims 1-37 , 39, and 41 in view of the 112 rejection.

Art Unit: 3723

4. Claim 6-9 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims because being similar to claims 38 and 40. (Note to applicant a rejection having a cart carry the jack could not be applied since the jack was attached to the cart. If the applicant had recited a jack and a cart un attached such a rejection would be in order.)

### ***Conclusion***

5. No art could be applied to claims 1-37 , 39, and 41 in view of the 112 rejection.
6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Myers et al, Stahler sr, Mitchell, Wagnon, Garceau, amd Kazmark jr disclose devices.
